 - the data manifested from Above for engendering in them the Divine im-

- pulse of genuine conscience 368 336; and 378 345
- we...have the happiness to be the first to behold with our own eyes the creation [coming] of a Messiah of Divine consciousness sent from Above to reveal World-truths to us, concerning Lentrohamsanin 398-9 363
- the teachings of five different genuine saints sent...from Above 732 670; see also religion
- it was forbidden under oath from Above to the beings of our tribe to communicate true information to any one of them 901 825
- the youths and children of the people confided [entrusted] to him from Above, concerning Moses 1004 919
- command 1120 1147 1024 1048; commanded 353 322; commandment 948 870; see also command
- an injustice coming...from Above 1124 1028
- the desire was expressed from Above 1142 1044
- the pardon granted you from Above 1175 1076
- The Very Sainly Ashiata Shiemash, Sent from Above to the Earth 347-52 317-22

Abrustdonis ^P

- these sacred substances Abrustdonis and Helkdonis are just those substances by which [enter into the formation and perfecting of] the higher being-bodies of three-brained beings, namely, the body Kesdjan and the body of the Soul, are in general formed and perfected 1106 1011; and 1107ff. 1166 1168 1012ff. 1066 1069

Absoizomosa ^P

- when any surplanetary formation is artificially grafted or manipulated in any such fashion it arrives in a state defined by objective science as Absoizomosa, in which it absorbs from its surrounding medium cosmic substances serviceable only for the coating of what is called its

- automatically self-reproducing subjective presence 948 870

absolute

- Most Great and Most Most Holy Sun Absolute; see sun
- absolute Reason, i.e., the Reason of our Incomparable Creator Endlessness 769 704; and 800 733
- if this same process proceeds in absolute quiet without any external extraneously-caused-vibrations whatsoever, then all the results of the action of its functioning remain within that concentration in which it completes its process 754-5 691
- the total absence of any Reason, i.e., absolute firm-calm 769 704
- the absolute vibrations of the note do 868 795
- the vibrations of the Chinese absolute note do 883 809; and 893 818

absorption

- the need of conscious absorption of cosmic substances 782f. 716f.
- a sacred feeding [absorption] of the second being-food 1163 1063
- and 948 870
- see also substance

abstaining

- these innumerable monks...do indeed strictly abstain from the ejection from themselves...of the being-Exioëhary 807-8f. 740f.
- abstaining at certain times of the year from the consumption of certain edible products 1011 925

absurdity

- unexpected results ridiculous to the point of absurdity 32 29
- even the Most Great Heropass of Time has also been compelled to actualize obvious absurdities in the presences of these unfortunate three-brained beings 132 125
- the utter stupidity and absurdity of this
